**VIJAYA
SCHOOL**

Hassan

**Reach high, for stars lie hidden in your soul.
Dream deep, for every dream leads the goal.**

We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty. It is the changes that we all go through our lives that constantly improve us. The annual report for the academic year 2018-19 is an ample proof where **Vijaya Institution** stands now. More feathers have definitely been added to the cap as there had been tremendous milestones set by the school. Invariably our hard work has borne fruits in galore.

The reverberations of our multi-faceted schooling and education have brought about tangible vibrations both in students and the staff. We stand together to take our institution to greater heights. We are but '**one family**' striving in unison to build a world for our children founded on values and life skills. The unique legacy of our institution is our trend.

To achieve the vision and mission, we stand together. We break the ground at various levels to provide our children with the best platform to elicit their best. We journey with our children.

Environs- Our priority:

We celebrated Deepavali, the festival of lights in a distinctive manner. We requested our students and their parents to celebrate Deepavali in an eco- friendly way. Many students complied happily. They were awarded with the eco-friendly stickers.

Under the able guidance of Mr. Subbaswamy, the Technical Director we have installed 'Hasiru Pade' of Vijaya students to nurture concern towards the conservation of environment. As a token of our gratitude to the Mother Earth, 'Hasiru Pade' regularly takes up eco-friendly activities on every Second and Fourth Sunday of every month. The Hasiru Pade planted and nurtured saplings along the M.G Road and on the bunds of Sathyamangala lake and Ammakatte Gundutopu.

We nurture Human Values:

Our School management, staff, students and parents have responded whole heartedly to help the victims of the disaster that occurred in Karnataka during the rainy season. The Management has contributed Rupees 25,000 each to Belagavi and Bagalkote districts towards flood victims. Teachers and students contributed around Rupees 1,50,000 which was utilized to provide daily usable materials to the flood victims of Holenarasipura and Mudigere. Our school parents donated materials worth Rupees 1,00,000 towards flood relief.
