From the Founder's Desk

We, the management, faculty and staff of Vijaya School are indeed proud of our journey that has given us the opportunity to educate children and pave a successful path for their future career. This is made possible because of the stupendous efforts of our dedicated faculty, the supporting staff and the cooperation extended by the parents.

The learning organization has been providing the necessary resources for students to excel in academics, sports and co-curricular activities.

The infrastructure of the school with well-equipped laboratories, a good library and the sports facilities provide the best amenities for holistic development of each student. The consistent efforts by the management to orient the teachers and equip them with the recent trends in education has paved the way for them to attain professional competency and gain expertise in classroom management, methodology and innovative teaching techniques to suit the learning styles of the students in their classrooms.

We invoke God's blessings and seek your esteemed continued cooperation in the coming years.

With regards
Tara. S. Swamy

The success stories of our school are documented and presented to our parents and their family members in 'VIJAYA CHRONICLE'. We take immense pride in presenting the various events, celebrations and festivals of national importance and the achievement records of our students in various fields.

The educational programmes in Vijaya School focus on helping the students to realize their strengths and work towards enriching their innate talents. Let us march forward in our journey to achieve our vision that aims to ensure that each student of Vijaya School achieves success in all walks of life. We wish that the Vijaya School student community will go into the world to create a happy and healthy society.

Preschool education plays a vital role in the holistic development of a child

Preschool programmes are designed in Vijaya School in a very creative way with a new curriculum introduced in this academic year designed by one of the famous educationists Dr. Lalitha Appacchu, Founder, Centre for Training Excellence (CFTE), Bengaluru. The spirit of play is at the heart of the Preschool programme followed in our school. Children play with language, letters and words, and solve puzzles, problems and mazes to create an understanding of the concepts taught through indoor and outdoor activities.

The classrooms are designed as learning studios that provide not just meaningful experiences but also take our students on a wonderful voyage towards knowledge. The rendition of early learning skills has provided the children with several advantages. The children go to the first grade with a firm grasp of early reading and writing skills that give them a very strong foundation for Primary Education. We have seen amazing results in students with respect to English communicative skills, numerical aptitude and social skills.

A warm welcome to the abode of learning

Our tiny tots in Divya Chaitanya

Keep playing to speed up your learning...

Let's grow trees for a better tomorrow

On a picnic

Santa Claus with Tiny Tots

This year our Preschoolers with the help of our teachers have showcased a scintillating show of their talents for parents and friends titled 'REFLECTION'.

The teachers and staff took care to depict all the finest moments of the students' classroom experiences. Children narrated stories using story boards, explained to the visitors about the importance of various professions and also brought to light their innate talents in public speaking and theatrical skills.

Here are some of the most cherished moments of our Preschool programme, 'REFLECTION'.

K.P.S. Pramod, Business Head - Amogh TV, Hassan inaugurating the function

Our Preschool Toddlers' beloved teachers

The strong foundation provided in Preschool education has resulted in achieving good results in the SSLC examination.

We have been consistently working to accomplish the long cherished vision of our school from the time of its inception. The last year's SSLC results proved our mettle for yet another successful academic year. Out of 174 students who appeared for the State Board Examination, 62 students secured 600 and above out of 625 marks. Rohini. S secured the second highest score in the State of Karnataka scoring 624/625. Charitha. C scored 623/625 and secured the third highest score in the State. 112 students scored centum marks in six subjects.

Out of the 10,929 schools in the State, Vijaya School has acquired the 7th place in last year's (2016-17) SSLC results on the basis of QPI and GQPI analysis conducted by RMSA (Rashtriya Madhyamik Shikshana Abhiyan). Our students have brought the highest honour to our school by achieving the First position in Hassan District out of 350 schools. We congratulate all our students for their commendable performance.

The Management, Principal, Staff, Parents and Students of Vijaya School feel overtly happy to congratulate the students of class 10 for passing the SSLC 2016-17 exams with flying colours.

Children happily back to school

World Environment Day

Donned in green attire, students and teachers imparted the message of saving our environment for the future generation. The Chief Guest of the programme, Mr. Shivashankarappa, Ecologist from our hometown, graced the occasion and reinstated on the need for saving our environment.

Mr. Shivashankarappa addressing the students

Children enacting a skit about saving the environment

International Yoga Day

International Day of Yoga is celebrated annually on 21st June since its inception in 2015. Students of classes VII, VIII and IX had been to the District Stadium on the occasion of the International Yoga Day to participate in the programme organized by the Department of Education in association with the District Administration.

A fine display of yogasanas at school

Independence Day

National festivals are celebrated to commemorate the sacrifices of the great leaders and unforgettable great historic events of national importance. We celebrated Independence Day in our school by hoisting the National Flag. Cultural programmes were held to spread patriotic fervour and also to pay reverence to the leaders of our nation. The Administrator Tara. S. Swamy gave the Independence Day message to the students, staff and parents.

Celebrating Independence Day

Children performing a dance programme about Freedom Movement in District Stadium

Readers Club

We have started Readers Club to consistently cultivate the reading habit among the children. In support of this our school management has gifted a book to each child from class I to X.

Administrator asking the students a thought provoking question

Children holding placards heralding the benefits of reading good books

Children hold their heads high with pride to have lovely books gifted by the School Management

'Waterman' Dr. Rajendra Singh inaugurated the programme 'ಜೀವಜಲಕ್ಕಾಗಿ ಜನಾಂದೋಲನ' organized by Hasirubhoomi Prathisthana, Hassan wherein our students took part.

Teachers' Day

People all over the world celebrate Teachers' Day to pay tributes to the contributions made by the teachers to the student community and society at large. We celebrated the day as 'Self Governance Day' by distributing the roles of teachers to a few students of class X. The responsible students who played the roles of their teachers, engaged the students for the first few hours in the classrooms. It was a great feeling for the students as they got the first-hand experience of the challenges faced by their teachers.

'Teachers' teacher' being greeted

Students extending their gratitude to their teachers

Gandhi Jayanthi

We celebrate Gandhi Jayanthi to remember the sacrifices, morals and teachings of the Father of our Nation Mahathma Gandhi.

Children reciting Sarvadharm Prarthane

Kannada Rajyothsava

This is the day for our native land to commemorate the merger of all the Kannada speaking regions of South India that formed the State of Karnataka. The programme started with the hoisting of the State Flag in our school. Children who wrote good essays in Kannada were rewarded.

Subbaswamy Y. N. addressing the gathering

A musical presentation

Children's Day

Children are the most beautiful people of the world. They are the keys to our lives of happiness and contentment. We celebrated Children's day by hosting a programme to entertain the children. Our student representatives had the privilege of sharing the dais with the dignitaries.

Students sharing the dais

Eye camp

An eye check-up camp was arranged for our students by Vasan Eye care Hospital, Hassan on 21.11.2017.

Kanakadasa Jayanthi and Children's Trade Fair

Kanakadasa Jayanthi was celebrated in the school to mark the birth anniversary of Dasa Shrestha Kanakadasa. Students melodiously sang the Keerthanas of Kanakadasa. His service to the Kannada literary world was acknowledged and appreciated.

Our school organized The Children's Trade Fair on 06.11.2018 to help the children acquire the skills of everyday transactions in real life situations. Children understood the concept of profit and loss. Around 134 stalls were installed by 180 students under six categories. Fruits and Vegetables, Provisions, Stationery, Fancy Stores and Cosmetics, Pet Shop and confectionary were the different categories under which students sold their commodities.

*The dignitaries on the occasion of
Kanakadasa Jayanthi*

Children's Trade Fair*

Science Expo 2017-18

Science fairs offer students an opportunity to exhibit their Science projects. The conceptualization in Science depends on the hands-on activities that the children perform in the school. This enhances the scientific temperament of the children and helps them in developing scientific inquiry.

The Science Fest of this academic year was held on 24.11.2017 and 25.11.2017. On the premier day, the students of classes I to V demonstrated their working models followed by the students of classes VI to X on the following day. It was a good show by the students with the support of the management, teachers and parents.

*Mr. Vijaya Raghava H.N
addressing students*

Students with their science models

Eco-friendly Deepavali

The celebrations associated with Deepavali may seem to be a day of fun and frolic but their far-reaching consequences are not. Air pollution levels rise to dangerous heights. Plastics and cracker debris are littered everywhere. People and animals suffer from shocks due to the noise of the crackers. So we motivated the children of our school to celebrate Deepavali in an eco-friendly way by not bursting crackers. Children enthusiastically responded to our call and celebrated the festival without bursting crackers. We honoured those children with badges heralding 'We are Eco-friends'. This made the children proud of their sacrifice. Around 796 children were the honoured recipients of the Eco Badges.

ಸಾಹಿತ್ಯ ಲೋಕದ ಚಿಗುರುಗಳು

ಹಾಸನ ಜಿಲ್ಲಾ ಪ್ರಥಮ ಮಕ್ಕಳ ಸಾಹಿತ್ಯ ಸಮ್ಮೇಳನದಲ್ಲಿ 10ನೇ ತರಗತಿಯ ಹಿಮಾ. ಬಿ. ಚಂದನ ಎಂ.ಸಿ, ಸುಹಾಸ್ ಬಿ.ಜಿ, ಉಜ್ವಲ್ ಎಚ್.ಪಿ, ಕಾವೇರಿಯಪ್ಪ ಎಂ.ಕೆ, ಮತ್ತು 1ನೇ ತರಗತಿಯ ಸಾನ್ವಿ ಕೆ.ಬಿ ತಮ್ಮ ಸಾಹಿತ್ಯ ಪ್ರತಿಭೆಯನ್ನು ಅನಾವರಣಗೊಳಿಸಿದರು.

Parents' sports to promote a healthy lifestyle

Our school always appreciates the contributions and cooperation of our parents. We gave a platform for the parents and grandparents to participate in school sports in connection with Vijayothsava 2017-18. Parents had a good time and enjoyed participating in the track and field events.

Christmas and National Mathematics Day

The celebrations of Christmas and National Mathematics Day included performances like dances, skits, songs and speeches by the students.

Vijayotsava 2017-18

Vijayotsava is an annual gala of students for exhibiting their talents. Recognising & appreciating the achievements of our students in various competitions conducted in connection with Vijayotsava, they are awarded prizes. Students participated in the competitions exhibiting their potentials and won prizes. The competitions were conducted in curricular, co-curricular and sports disciplines. The number of prizes distributed this year for the winners was a whopping 1884. The curtains were drawn to the Vijayotsava celebration with Samoohika Bhojana. (ಸಾಮೂಹಿಕ ಭೋಜನ)

children*

*Our beloved President Mr. Malaligowda wishing
'all the best' to the X Std. children*

Our children in Sports Events:

"Excellence is not a singular act but a habit. You are what you do repeatedly". Lessons from this adage have made the school concentrate on sports activities that help students to realize their strengths, work on their weaknesses and collaborate with greater team spirit.

The school provides physical education classes that form an integral part of the curriculum. Abiding by the motto of the Olympic games, "Higher, Stronger, Faster", sports activities in Vijaya School foster sportsmanship, brotherhood, sharpness of mind and fitness among the children.

Our children participated in many sports and co-curricular competitions conducted by different departments, schools, colleges and organizations. They won many prizes and brought accolades to the school.

The progress shown by our students this year has been an incredible achievement in the field of sports and games. We are sure that many of our students will be future sports icons representing our country.

64 students have participated in various sports events at State level. 45 students have participated at the National level and 24 students have secured medals and have brought laurels to our institution.

Under-17 Boys and Girls Netball teams participated in the National Level Netball Competition held in Chhattisgarh. The Girls team won the Bronze Medal.

Our students also participated in the Under-14 National Netball Competition held in Hyderabad. The National Netball Association in association with Bihar State Netball Association hosted the Under-16 Netball Competition. Our boys and girls participated in it and both won Silver Medals.

Here are some of our outstanding achievers in Netball Competitions with Silver Medals

Boys: Yogesh Gowda. B. J, Satwik. U. R, Keshav Patel. H. S.

Orientation programme for parents:

In today's competitive world, parents play a major role in taking the right decision for their children's future career while nurturing them with values and life skills to face the real world. Parenting is a challenging task due to peer pressure and social media. To enable parents take the right stride and help their children gain holistic development, Vijaya School has been conducting workshop to educate parents.

Dr. Lalitha Appacchu conducted an orientation programme for the parents of our Preschool about the new curriculum introduced on 22.05.2017.

A workshop on Parenting by Ms. Shantha Nagaraj, author of the book 'SHALA MAKKALA POSHAKARIGE KIVIMATHU' and her team was arranged on 23.12.2017.

Ms. Shantha Nagaraj interacting with parents

Various workshops conducted for teachers:

Schools that learn are recognized as Professionally Developed Schools and the faculty of Vijaya School realises that teachers are life-long learners. It is an undisputed fact that great teachers help create great students. Research shows that inspiring and well informed teachers who have undergone structured professional learning will make the best changes in their class room practices and show improvements in students' learning outcomes. Hence effective professional development is the most important strategy to hone the skills of the teachers and thus support the students' learning.

Communicative English, Reflective Analysis, Differentiated Instruction, Classroom Assessment Techniques and Innovative Methodology were some of the topics that were given prime importance during the professional development training programmes conducted by renowned professional trainers and teacher educators.

Mr. Ganesh and his team conducted workshop for the teachers on 13th and 14th of May 2017 on Teacher Empowerment.

Educationist and one of the authors of Oxford text books, Ms. Navaneetham conducted workshops for teachers on 16th and 23rd of June 2017, 11th and 12th of December 2017 and on 24th of February 2018 on Integrated English Language Teaching, Assessments and Professional development.

An orientation programme was conducted for teaching and supporting staff by Ms. Seethalakshmi about Planetary Peace Meditation (PPM) on 20.05.2017.

Dr. Dharmashekhara Patil gave a talk on Autism and related disorders to our teachers on 21.06.2017.

Dr. Lalitha Appacchu conducted workshop for Preschool teachers on 22.05.2017.

Mr. Satyamurthy Hebbar exhibited mathematical teaching aids using paper on 09.07.2017.

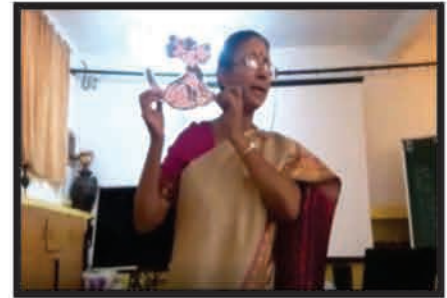

Our Mathematics faculty attended an orientation programme on 30th and 31st October 2017 organised by E Dreams Edusoft Pvt. Ltd. Bengaluru.

Our Mathematics faculty with Prof. Inder K Rana

Rotary Club of Quanta Hassan honoured our teachers Mr. Varghese A.S and Ms. Shobha B.K with Nation Builder's Award 2017

We, the management and staff of Vijaya School thank the parents of our school who have been the chief source of strength in bringing about the innovative changes in our school community. We believe that education is an investment that brings in prosperity to the family members of the child and to the country.

‘Shraddhavan Labhate Jnanam’ is our motto and aspiration. We solicit your prayers and your support in our journey towards a prosperous future.

Theme of the year 2017-18

Food is a basic need for living.

Don't waste food. There are millions of Starving children all around the world

Today's wastage is tomorrow's shortage.

A nation could eat off the food we waste.

Eat what you take.

Take what you eat.

Eat Vegetables & Fruits.

A grain of rice is worth of a drop of blood.

Think before you bin it.
